Thanks, Carl. I was able to access the report ok.

Martin, I put the report on the SWG folder under AMS-02.

Pat and Martin:

The revised stress report for AMS-02 that accounts for the loads from the STS-134 Cycle VLA has been completed. A PDF version of the file is available at the following link:

[\\Escfil02\2m31\\_structural\\_analysis\Projects\AMS\AMS-02\\_Final\\_Reports\ESCG-4005-05-AMS-0039-A - AMS-02 Flight Hardware Report A\FINAL PDF](\\Escfil02\2m31_structural_analysis\Projects\AMS\AMS-02_Final_Reports\ESCG-4005-05-AMS-0039-A - AMS-02 Flight Hardware Report A\FINAL PDF)

If you are unable to access the file at this server/directory location, let me know and I will copy the file to a location that you can access.

Regards,  
Carl
