FROM: EA3/AMS Project Manager  
SUBJECT: Temporary Storage Review – Case Files 05-002 and 06-005

I have reviewed your letter JB3-09-040, dated February 26, 2009. Case file 05-002 is related to the Alpha Magnetic Spectrometer (AMS) project. I would like to disposition as follows:

Line Item:

- 1 – GSE Test Stand Set – This item can be excessed.
- 2 – Passive PAS & Keel Assembly NBL PVC Training – We need to continue storage of this item as we will be using it soon.

Mr. J. D. Roberts will work with Ms. Kathy Green to disposition the first item.
