Reply to Attn of: EA3-09-021

TO: AMS Records

FROM: EA3/NASA AMS Project Manager

SUBJECT: Test Requirements Document (TRD) Gas Ballistic Cover Assembly Acceptance

I have reviewed the entire package of material on the TRD Gas Ballistics Cover Assembly. Although some of the measurements were not made as expected by the vendor, these measurements do not affect fit, form, or function, and I will accept the hardware as is.

Sincerely,

Trent D. Martin
